

Libby. The reading app from your library!

Your Digital Library: Read and Listen with Libby

Get access to ebooks, audiobooks, and full color digital magazines for free with a Monarch library card. Libby is a free library app available in App Store, Google Play, Amazon Appstore or access online at www.libbyapp.com.

READ and LISTEN: There are thousands of ebooks and audiobooks, hand-selected by your library, available for reading. Explore the collection through catalog guides, subjects, featured titles, and curated lists. It's a delight to discover new books through Libby.

READ: Are you a fan of magazines? Browse through new and past editions of your favorite magazines in full color. Never miss an issue by setting up notifications when a new edition is released.

Estimated hold wait time!

You may have to place a hold on more popular items. App shows an estimated wait for items. Check your holds list for updates on your place in line!

Hassle free returns!

Hassle free returns! If you finish before your due date, you may select the option to return the title early! If not, your check out will return automatically when it is due! No more late items.

Skip your hold!

Is your title ready for you, but you're too busy to read it now? You can skip your hold! Allow the person next in line to check it out first. The next available copy comes back to you!

Easier reading!

Libby App can help accommodate readers with certain preferences or special needs. Setting adjustments for easier reading include brightness, text size, font (including a dyslexic-friendly option), spacing, and more!

Better communication!

A new way for users to express interest in titles that aren't in your collection. More ways for libraries to communicate with their users through the app
